# CONJUGATIONS REVIEW

**verb**: describes an action  
that is occurring

What does  
present tense mean?

**present tense:** happening  
AT this moment RIGHT  
NOW, RIGHT HERE

**Infinitives**: the “raw” form of the verb before it gets changed; the most basic form of the verb

*Ejemplos:*

**hablar**: to talk

**escuchar**: to listen

**nadar**: to swim

Conjugations: when we change verbs to  
fit subjects

*Example in english*

**verb:** to have

**conjugation:** She has a car

**TODAY-** Focusing on verbs that end in  
“-er” and “-ir”

(We already know the rules for “-ar”  
ending verbs)
